Dear Sir:

In connection with the Applicant's Response to the Decision on Petition under 37 C.F.R. § 1.47(a) dated February 3, 2006, please consider the following renewed petition.

The renewed petition filed on February 3, 2006, was dismissed for lack of a showing that the non-signing inventors were contacted by multiple means. Thus, in response to this dismissal, Applicant submits a second Declaration, made by Frédérique Dersoir, which details attempts to contact the non-signing inventors by additional means. Frédérique Dersoir is an employee of THOMSON who worked with Isabelle Thibaudeau to obtain executed Declaration from each of the non-signing inventors.

The application lists four inventors: Hélène Bouilloux-Lafont, Issam Aglan, Hervé Lemaitre, and Emmanuel Tessier. We have received a signed Declaration from Emmanuel Tessier executed on July 1, 2005. A copy of the executed Declaration is attached.

However, after a diligent effort, THOMSON, whom the petitioner represents, has been unable to obtain a signed Declaration from Hélène Bouilloux-Lafont, Issam Aglan, and Hervé Lemaitre. As evidenced by the attached Declarations of Isabelle Thibaudeau and Frédérique Dersoir, who are *both* persons with first-hand knowledge of the factual events outlining attempts to obtain the non-signing inventors' executed Declarations, inventors Hélène Bouilloux-Lafont, Hervé Lemaitre and Issam Aglan are unreachable. Specifically, the Declaration by Frédérique Dersoir sets forth the steps performed to contact each of the non-signing inventors via a current/former employer (*i.e.*, the most recent efforts to locate each of the non-signing inventors performed via e-mail). Translations of each e-mail are provided following the original e-mails.

In light of the petitioner's diligent attempts to obtain the signature of the inventors and, pursuant to 37 C.F.R. § 1.47(a), the petitioner requests that the referenced application be examined without the signed Declarations of Hélène Bouilloux-Lafont, Issam Aglan, and Hervé Lemaitre.

The last known address of Hélène Bouilloux-Lafont is:

22 Rue du General Lederer 92130 Issy les Moulineaux, France.

The last known address of Hervé Lemaitre is :

12 Rue Voltaire 94110 Arcueil, France.

The last known address of Issam Aglan is:

13 Rue des Ecachoirs 44000 Nantes, France

We believe this second renewed petition addresses all outstanding issues raised in the dismissal mailed on February 28, 2006. If this believe is in correct, please feel free to contact the undersigned. While we believe that no fee is due with this renewed petition, if any fees are due, please apply any charges not covered, or any credits, to Deposit Account 50-0591 (Reference Number 11345.049001).

Respectfully submitted,

Bonjour Madame,

Comme pour la demande CPT02020, nous venons de recevoir une notification de l'Office Américain des Brevets nous invitant à leur retourner dans les meilleurs délais les documents de cession et déclaration. En effet, la pétition que nous avons engagée auprès de l'USPTO a été refusée pour insuffisance d'éléments mis en oeuvre pour contacter les inventeurs.

Afin de ne pas mettre en péril la demande, nous vous adressons des nouveaux documents dûment révisés et vous remercions de nous les retourner après avoir obtenu la signature des inventeurs, pour le 24 avril prochain.

Déclaration : Signatures requises pages 3 et 4

Assignment : Signatures requises page 1 (+ 2 témoins page 2)

Nous vous remercions de nous informer si certains de ces inventeurs ont quitté la société et le cas échéant nous indiquer leurs coordonnées.

En vous remerciant par avance,

Cordialement

Declaration : Signatures requested pages 3 and 4

Assignment : Signatures requested page 1 (+ 2 witnesses page 2)

We thank you to inform us if some of the inventors have left the company and indicate in that case their address and phone number.

We thank you in advance

Dear Seema,

Further to my message below, I have sent a reminder to Frédérique Durand from NDS begging her to return documents.

Unfortunately she informed me that she had not received my original emails.

She advised me at the same time that for CPT02006, none of the inventors was part of NDS.

As concerns, CPT02020, only two of the inventors were part of NDS. She advised me that she would return documents from M. Bachet and Taldir upon her return, i.e. first week of May.

I have enclosed copy of our email correspondence.

Kindly advise me if you wish me to prepare an English translation thereof.

Please let me know if I can further help you.
